Dear working parent,

You know how hard it is to find a quality after school program. Most programs are little more than babysitting services with no structured plan to improve your child's health, self-esteem, behavior, confidence, focus, or grades.

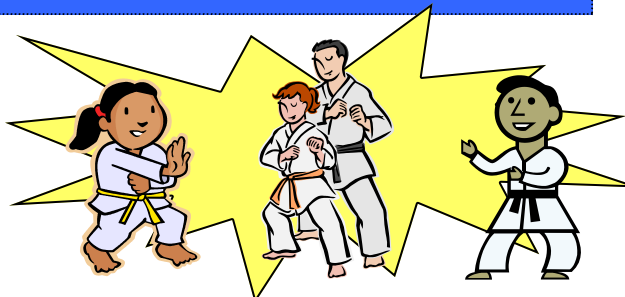

That is why CBBA is opening the Laker Dragon Day Camp that will be open Monday thru Friday during the school year as well as offer special skills camps in the summer.

Laker Dragon Day Camp will allow your child to enjoy a fun, safe, structured top-quality program that will offer homework help along with a physical and mental curriculum. But that's just the beginning.

We are not a babysitting service or a day care center. We are not the cheapest but we are top-quality and strive for our students to acquire the Black Belt Attitude of Excellence!

Better yet, if your child decides to enter the CBBA martial arts program we offer discounts for being enrolled in the Laker Dragon Program.

**Give your child an unstoppable
"Can-Do" level of confidence and set
the course for a lifetime of success!**

Tae Kwon Do

Taekwondo is one of the most systematic and scientific Korean traditional martial arts, that teaches more than psychical fighting skills. It is a discipline that shows ways of enhancing our spirit and life through training our body and mind. Today it has become a global sport that has gained an international reputation, and stands among the official games in the Olympics. Taekwondo is “a way of life.”

Tae means “foot or leg”, Kwon means “fist or fight” and Do means “the way or discipline.” The World Taekwondo Federation is the International Federation governing the sport of Taekwondo and is a member of the Association of Summer Olympic International Federations. CBBA is a member of the Mid-West Martial Arts Association and the World Taekwondo Federation.
